TESTIMONIALS

“ Was very organized, super packed with a variety of different types of things from classes to activities to discussions to visitations to just all enjoying together with the sheikhs mashallah. ”

“ It's perfect the way it is with a blend of different but all relevant topics, to a mix to lecture and discussions and informal talks with the sheikhs. The sheikh character and how they run their families is just too inspiring and seeing what they teach in action. ”

“ I will pray for the organisers of this course so much, iA, thank you for the gift you granted me - hope, hunger and healing. ”

“ The Quran tafseer reminders were truly enlightening especially how we delved into the depth of the verse. This has given us more motivation to reflect and do tadaabur on the Quran ... ”
